4. Type "Climate" in the white box to the right of the magnifying glass.

My Credits

Use this section to manage your CME credits. You can use the "View Available CME Events" or "View Available Enduring Materials" to find the meeting/activity. Please pay careful attention to the dates. After selecting the meeting/activity, you will fill out the evaluation and the credits will be added to your transcript. You can also view and/or print your transcripts and/or certificates. Your transcript will show the activities you have attended from the past 3 years.

IMPORTANT: You have 90 days after the event to claim credit for attending a meeting. After this time, the meeting will close and disappear from the listing.

After claiming credit, please be sure to check the "Incomplete/Pending Credits" section below, and complete any required evaluation or post test in order to be awarded the credits. This section will only show if you have incomplete or pending credits.
